[KNIT A SWEATER IN A MONTH:
OUR MAY KAL](#)

*The Liv Cardigan, by Carrie Bostick Hoge--our **May 2016 KAL selection***

Have you ever knit a sweater in a month?
Are you up for a challenge?

This is the third sweater we've knit from the Madder Anthology: II book and it's an easy, breezy cardigan knit from the top-down in **YOTH Yarns Father**, a worsted weight, 100% USA-grown, spun and dyed yarn that is incredibly special to us.

An added bonus: **the entire pattern book and the yarn will be available to you at 15% off.** This is an incredible way to knit a sweater for yourself at a brilliant price. (Even if you're not sure you'd be able to finish within our timeline.)

Every single person who finishes their sweater by May 31st will receive a kit--the yarn and pattern--to knit the Mother Marls kit (hat + fingerless mitts) pictured below, a \$45 value.

And. Every person who finishes their sweater will be entered into a drawing to win
a \$50 gift certificate to Wool & Honey.

Don't live locally? You can still participate--we'll even ship the yarn right to your door, free
of charge. **(All orders over \$75 ship free in the U.S.--always.)**

We're taking pre-orders NOW through April 17th and offering this phenomenal deal to our
online customers who'd like to participate from afar.

Enter coupon code LIVKAL at checkout to receive your discount
(on these items only, please.)
