**TWO BRAND NEW BAGS FROM FRINGE SUPPLY CO.**

Two beautiful NEW bags from Fringe Supply Co., basking in the summer sunlight:  
the **Field Bag in Natural Waxed Canvas** and the **Porter Bin in Butterscotch**.

### **The Porter Bin**

We're in LOVE with the newest **Porter Bin**...it's almost as if it were made with Wool & Honey in mind. It's a light honey golden-tan, the color of butterscotch chips or a classic chamois shirt--we'd consider it an ochre or even umber; a gender-neutral, easy on the eyes, goes-with-everything shade. We can't decide which we love more--this, or the army green. (You know we can't resist anything honey-colored!)

### **The Field Bag in Waxed Canvas**

**Waxed Natural canvas** is extra special: It's translucent, and with the characteristic scuff and fold marks of waxed canvas, it looks like an eggshell or butcher paper or paper-thin porcelain. But of course, being waxed canvas, it's super durable and water and stain repellent. We think that the **Waxed Natural Field Bag** will appeal to everyone who's ever wanted the Natural bag but worried about it getting too dirty.

....and of course, with new bags come **new flair**; we've gotten at least **10 new enamel pins** in over the past two weeks and they're all. So. GOOD.
