A COZY SHAWL FOR EARLY FALL

With its little touch of Art Nouveau, **Palmyre** is a very cosy shawl, that will soon become a ally of choice against the temperatures sometimes a little fresh in midseason, or for the long summer evenings. (Perfect for now, as early fall is almost upon us!) Built in a crescent shape, with a large part of stocking stitch and just a hint of lace to finish, this is a simple pattern, rather quick to knit, that will appeal to beginners as well as more advanced. For this kit, we've chosen the **Quince & Co. Phoebe**, the bounciest, squishiest DK-weight wool grown, spun and kettle-dyed in the USA.

Five of the colors are the **brand new** Phoebe colors--**Andromeda, Cygnus, Orion, Perseus + Orion**. We can't say enough about this **stunning** USA-made yarn--it just might be our new favorite!

The ***Palmyre Shawl Kit*** includes two skeins of ***Quince & Co. Phoebe*** and one easy-to-read pattern.

It's hard to believe it's already that time of year, but September marks our 6th annual Greater Traverse Yarn Shop Hop. Take an entire weekend to shop all 8 of our area yarn shops, where each shop will highlight unique yarns and patterns, offer refreshments and ideas for handmade holiday gifts.

Purchase a \$5.00 passport and get an exclusive logo tote bag. Each of the participating shops will have an in-house special (to be announced next week), as well as other special surprises.

Stamp your passport at all eight shops and you'll be eligible to win one of three Grand Prize Baskets, which each include a \$20 gift certificate to all eight shops and several other exclusive prizes. We'll be posting sneak peak photos on the group's Facebook page of pieces that make up the grand prizes.
