

SLEEPING BEAR YARN CLUB MEMBER UPDATE: FEBRUARY 2015

AN UPDATE ON FEBRUARY'S PACKAGE

Hello friends,

Our shipment of Lake Michigan Northern Lights arrived this week, but because of our commitment to bringing our club members the very best, we needed to make a tough decision--we sent it back to the dyer.

While we believe that all hand-dyed yarn is beautiful, the yarn that arrived just wasn't close enough to the colorway you see in the preview skein pictured above. We know that this is disappointing--we know you want this gorgeous yarn in hand ASAP--but above all else, our top priority is making sure you get the colorway you expect.

What does this mean to you? SweetGeorgia is working around the clock to re-dye our yarn and is committed to creating our custom colorway as quickly as possible. We'll be sending your packages just as soon as we can--we believe that it will be closer to the first of March or shortly after.

Between now and then, if you have any additional questions or concerns, please don't hesitate to call us at (231) 228-2800. We are so, so grateful for each and every one of our customers--please know that this delay is because we are doing everything possible to make sure you are thrilled with your club membership and these gorgeous yarns, whether it's your first month or your last.

Thank you,
Melissa & Liz
