Our Wintry Weekend with Marie Greene + Rachel Lundstrom

Saturday, February 23rd

9 am to 4 pm

(that's tomorrow!)

After *months* of planning, we can hardly believe our wintry weekend with Marie and Rachel is here; while the Friday and Sunday events are sold out, [our trunk show and book](#)

[signing](#) on Saturday is open to everyone. Up for a last-minute road trip? We guarantee it'll be [a weekend](#) you won't want to miss.

The shop is stuffed to the gills. Absolutely jam packed. There are hundreds of new skeins of handpainted [Six & Seven yarn](#) on the shelves, MUCH of it we've never seen, in every weight, color and style under the sun, including tonals, variegated, speckles and even gradient kits. There is an especially impressive amount of 'Pollen', our shop-exclusive colorway, in every yarn. (Think socks + matching sweater!)

We will be listing the trunk show's remaining yarns on our website on Sunday afternoon for those of you who can't join us this weekend in person. Stay tuned for a Sunday email!

Filled with gorgeous scenery, helpful tutorials and detailed pattern images, [Seamless Knit Sweaters in Two Weeks](#) is simply stunning. With Marie's timeless, wearable shapes and her thoroughly approachable technique, this is a book that's just our style.

Not only do we have [Marie's book](#) (and yes, she's planning to sign them all!), but every single one of her individual patterns will be here, too. And guess who happens to be on the pages of [By Hand Issue 8](#) as one of the issue's featured hand-dyers?

(If you haven't ordered yet, you can easily preorder Seamless Sweaters in Two Weeks [HERE](#) or By Hand Issue 8 [HERE](#)--we'll set a copy aside for you.)

Marie's pattern + Rachel's yarn = our first sweater knit-a-long of 2019.

We'll be announcing details of the Mae Cardigan on Saturday in the shop, as well as in Sunday's email. Yes, you'll be able to order any color you'd like. Yes, there'll be a bit of a discount. And yes, there will be some *excellent* prizes if you finish.

And yes. Michele Greenan did knit our sample in three weeks.

Worth over \$250, this gift basket includes three skeins of handpainted yarn, a Petoskey stone stitch marker, the rose gold notions pouch from Ritual Dyes, a cherry needle gauge, a Kristin Hurlin notecard, one of Marie's patterns and a set of our brand-new [Lykke double-pointed needles](#).

The best news? Even if you won't be able to make it to the shop on Saturday, **you'll have a chance to win.** For every ten dollars you spend throughout the weekend--both in-house and online--you'll get to enter your name to win the exact basket pictured here.

Which means, of course, the more you spend, the luckier you'll be.

See you soon, friends!
