[RAVELLENIC WINTER GAMES 2018](#)

**When:** Friday, February 9th through Sunday, February 25th, 2018.

**What:** To challenge yourself by starting and finishing one (or more!) projects during the 2018 Winter Olympics.

**Who:** You...and us!

**Where:** The comfort of your own home. (If you'd like some team support, we'd love to have you join us during our Open Knitting circles-Thursday evenings from 5-7:30 pm and Saturday mornings from 9 am-12 noon.)

**Why:** Because in the middle of winter, a little motivation never hurt anyone!

What will be a stretch for you? It could be a new technique, that first sweater or pair of socks, something massive, something delicate, or maybe finishing that monster in the closet. The goal of the Ravellenic Games is to support you in expanding your knitting and crocheting horizons.

For any knitter up for a challenge, we invite you to join Team Buzz, a hive full of happy knitters ready to push themselves to the next level. We've chosen six wintry projects that we think span a range of interests and ability levels. We've got six kits for sale--all with multiple color options--and we're certain you'll find something you like. Don't live close enough to knit alongside your teammates? Purchase one of these kits between now and the start of the Opening Ceremonies on February 9th and we'll ship Priority Mail straight to your door--and it'll be like we're right next to you on the couch, holding our breath during that triple axel. **Tag us in your photos, plus use the hashtag #woolandhoney on Instagram, Facebook and Ravelry so we can keep tabs on your progress, too--we LOVE seeing your projects!**

## The Prizes:

Every knitter who finishes their project by the end of the Closing Ceremonies on February 25th will receive an enamel pin--a medal of Greatness.

Among these finishers, we will choose **three (3) additional winners:**

**-The Fastest Finisher**

**-The Biggest Personal Challenge**

(i.e. a beginning knitter who attempts their first pair of cabled mittens)

**-Overall Impressive Skill**

The Fastest Finisher will receive an 'All These Wonders' Mini Gradient Set from Six and Seven Fiber, the Biggest Personal Challenge will receive a **Lykke Driftwood Interchangeable Needle Set** and Overall Impressive Skill will receive **a Fringe Supply Co. Field Bag** (in the winners color choice).
