**MARCH AS A HIVE:**  
SATURDAY, JUNE 23RD at 1:00 PM

**SATURDAY, JUNE 23RD**

**1 PM**

*(meet at the shop to suit up at 12 noon)*

Every year, the **Cedar Polka Festival** hosts a parade downtown on Saturday, and we've always wanted to have a float. Well, this year, we're finally doing it.

And we need your help--to march in the parade with us:

**tomorrow, Saturday, June 23rd at 1 p.m.**

We've got a few spots on the float, lots of cutie pie costumes (that each include a mini rhinestone tiara, antennae, wings and an amazing sash that Liz sewed from Spoonflower knit fabric) and we can promise it's going to be a really, *really* fun time. If you can find yellow and black in your own wardrobe, **please** wear it in the event that we have more than 15 participants--and we encourage *everyone* to wear black pants or shorts, as we have adornment for your upper half only. Bring some knitting and skeins of black and yellow yarn.....and *start working on your princess waves!* We'll have a few spots on the float, but most of you will need to walk with us--we'll be passing out **honey candies** to the kids in the audience. It's a short walk and we'll have waters and sunscreen and some snacks for fortification.

We talked with the parade coordinator yesterday and we've heard this is going to be the biggest parade Cedar has ever had. We can't WAIT to see what the audience thinks of our busy little bees!

Want to march with the hive? Call us at **(231) 228-2800** to RSVP to join us. Meet us at the shop at 12 noon, where we'll put on our costumes and walk down to the Solon Township Hall together for the official parade line-up at 12:30.

See you tomorrow, friends--we'd love for you to join the buzz.

**NEW TOTES FOR SUMMER**

***The Knitter's Backpack in Midnight***

We are thrilled to be the newest LYS carrying **the popular Knitter's Backpack** by Ritual Dyes! Constructed from 18 oz. water-repellent canvas, thick cotton webbing straps and a leather hang loop. This innovative and versatile bag can be set on the ground and knit from like a yarn bowl, carried on your forearm, pull the straps through and wear it like a sling bag or split the straps and carry it like a true backpack, knitting all the while. It has a modern and sophisticated shape you won't tire of. Take this bag anywhere!

***The 'Bury Me' Tote Bag, new from Fringe Supply Co.***

A sturdy, generously sized, canvas tote bag is a thing of great beauty and use. **This witty bag** isn't really morbid like it first appears; really, don't we all just want to be heaped with yarn and left to our own devices? Hilarious. (And **TRUE.**) *The '**Bury Me' tote bag** is the newest in the Fringe Supply Co. collection of project bags.*
