MADELINETOSH: IT'S CHRISTMAS IN JULY

**Saturday, July 16th
9 am to 4 pm**

Every yarn at Wool & Honey is carefully selected from the vast array of commercially and independently dyed yarns available on the market today. (It's a tough job, but somebody's got to do it!) We are always working to create a stunning collection for our shop and we are thrilled to have the opportunity to stock one of the knitting world's greatest treasures: Madelinetosh.

Join us on **Saturday, July 16th from 9 am to 4 pm**, where you'll have the first glance at the largest, most gorgeous selection of Madelinetosh Northern Michigan has ever seen. So. Much. YARN.

We'll be feeling super festive throughout the entire day, with fresh, new samples, stocking stuffers, door prizes--and if you can believe it, we'll be kicking off our 12 Knits of Christmas 2016 collection at the party.

We can't wait to see you there.

PETOSKEY STONE: **BACK IN STOCK**

Petoskey Stone was our September 2014 feature for the **Sleeping Bear Yarn Club** but re-released it for all of our customers for a limited time on a new worsted weight base - a soft skein of tonal, stone grays. There's no better symbol of Northern Michigan than these patterned stones--and no better thrill than catching a glimpse of their signature starburst while on a beach stroll! We brought it into the shop this spring and all but immediately sold out.

We have another small batch of 50 skeins heading our way right now-- we'll be shipping out these orders on Wednesday.

Dyed exclusively for Wool & Honey by Seven Sisters Arts of Blue Hill Maine, each skein has 213 yds (100g) and is comprised of 100% superwash Merino.

Find our exclusive **Petoskey Stone Yarn** **HERE**.
