A Happy Fuzzy Extension!

This yarn was just too amazing to let go! There are some stunning items left but HURRY as they will only be here for another few days. We are lucky to offer these unique yarns until June 30th ,but then Happy Fuzzy packs up to head back home. Couldn't make it to last weekend's trunk show? Here is your chance to check out the exquisite dye job of another talented Michigan fiber artist. Stop by the shop OR order any of these goodies from our [online store](#).

Remember, you can always use "Local Pick-up" online to shop 24 hours a day....maybe the best way to ensure you don't miss out on these one-of-a-kind yarns!
