**NEW TO THE YOTH FAMILY:  
DAUGHTER**

*A little bit about **Daughter**, in their words....*

A collaboration between Cestari Sheep & Wool Company, established 1946, and YOTH Yarns to create a signature new yarn base. We pride ourselves on working with companies that have the same values and work ethic that we strive for everyday. Cestari Sheep & Wool Company is a family owned business that produces some of the most beautiful yarns on the market and shares a story that we love and admire. We are honored to add this superb yarn to our YOTH Yarns lineup.

**Daughter** is a masterpiece of rugged tradition that will last for generations. It is a woolen spun 3-ply heavy DK/light worsted weight wool blend that is perfect for cables, textures or just good ol' stockinette stitch. This yarn is sturdy yet soft, long wearing yet lightweight, and has a homey unrefined slight thick thin nature to it."

Available in two sized skeins,

**Daughter--330 yds (150g)**  
**and**  
**Daughter Mini--165 yds (75 g)**

Not sure what to knit with **Daughter**?  
We've created two kits we think you'll love.

**Ninilchik Swoncho Kit**

The shift between seasons can bring some unexpected weather, and layers are an essential part of staying comfortable as the temperature dips and lifts. This swoncho is as comfy as being wrapped in a blanket, but is much more functional, thanks to its clever construction and sleeves. This cozy piece will surely be a go-to knit in your closet-you may find yourself reaching for it year-round!

It comes in two sizes that fit a wide range of bodies; you may even have to make a few to compensate for the family members who swipe one from under your nose!

**Izel Hat**

Izel is a slouchy hat pattern that features a wide twisted brim and a beautiful colorwork motif. The ribbing is stretchy and allows for a wide range of adult head sizes to fit. The hat takes one skein each in two colors of **Daughter Mini**.
