**NEW FROM BROOKLYN TWEED:**  
LACE WEIGHT VALE

Introducing **Vale**, the newest yarn to the Brooklyn Tweed line. Another exquisite beauty in this amazing American spun, grown and dyed line we are so proud to carry at Wool & Honey--just in time for lightweight summer knitting.

***Bridgewater***, knit with 4 skeins. Pictured here in *Hammock*.

A worsted-spun laceweight spun from 21.5-micron Rambouillet wool grown in Wyoming (the finest micron count of any Brooklyn Tweed yarns to date), **Vale** is buttery soft with a wonderfully bouncy hand.

***Rock Island***, knit with 2 skeins. Pictured here in *Thaw*.

**Vale** is a great counterpoint to DK weight **Arbor** and the Brooklyn Tweed core woolen-spun yarns. Premiering in 14 custom skein-dyed colors, **Vale** is wonderful for shawls and lacework as well as featherlight stockinette fabrics. **Vale** is a polished yarn with an even weight and twist, suitable for heirloom-quality lace projects.

## TRUNK SHOW

We'll be hosting the **Vale** trunk show here at the shop during the first part of June; we encourage you to come in to try on these exquisite shawls and see the stunning Brooklyn Tweed craftsmanship in person.

## FREE PATTERN

For a limited time, Brooklyn Tweed is offering a FREE digital download pattern for Gully (pictured above,) a brioche lace cowl. Between now and June 30th, when purchasing a skein of Vale, you'll receive a digital download coupon for Gully, a cowl that can be knit with just one skein.

*Four of the 14 colors (Thaw, Hammock, Heron and Sashiko) are currently out of stock, but should be available both in-house and online mid-June. We'll be shipping these immediately upon their arrival.*

## SAVE THE DATE: OUR ANNUAL MEMORIAL DAY WEEKEND PARTY

*new colors of Tosh Merino Light in Not Sorry, Havana + Ceremony*

We plan to kick off our summer season in the way we always do--with our annual anniversary party.

We can hardly believe that Memorial Day is **next weekend**....except for the constant stream of yarns, magazines, patterns and gifts that are flowing into the shop every. Single. Day.

Stay tuned next week for a fully detailed (long!) list of what will be making its debut at the party. And because you know we LOVE surprises, we'll keep two things on the list top secret until next Saturday night.

Can't be with us next weekend? Don't worry--we'll have something for our online customers, too!

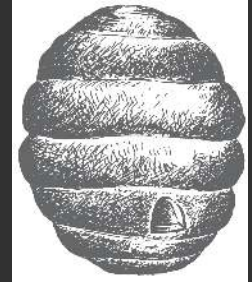

**Save the date for the soiree:  
Saturday, May 27th  
4-7 pm**
