[The Colors of Leelanau:](#) [The First Five Years](#)

(Front to Back: Mishigami, Frozen Bay, Christmas Cove, Manning Light, Birch Bark)

It's been almost five full years since we launched our exclusive [Sleeping Bear Yarn Club](#) and it has blossomed into something beyond our wildest dreams. (And just wait until we tell you about Year Six! Sometime next month, that is.)

Because our club continues to grow every month, there are many, many customers who've only just joined us--and have missed out on some of the previous months. And almost

everyone has said that they'd love to get their hands on at least [one more skein](#) of one colorway or another.

So. We're opening up the opportunity for everyone who has been hoping to get another go at one--or more!-- of our exclusive yarns. We reached out to the brilliant dyers who've produced colorways for our [Sleeping Bear Yarn Club](#) to produce a limited edition run for the spectacular colors from the first four years.

(Star Thistle Honey--our October 2015 feature from Sun Valley Yarns)

And, as always, these yarns are available to you at 10% off retail prices.

However. You must be [a Sleeping Bear Yarn Club member.](#)

We've said from Day One that these colors are exclusive to our members and we still stand by that. Before you can order any of the colorways below, you first have to join the club.

After that, you can order any of the colors between now and April 15th. After that, they may be unavailable forever.

(L to R: Moonlit Ski, Sunset Bluffs, The Homestead, Clover Patch, Lawr Farm, Benzonia Trail)

[Club memberships are available for 3, 6 and 12 months](#), with the ability to pay monthly, quarterly or in full. A current membership of any kind will grant you access to the **[Colors of Leelanau](#)**. Not **[a current member](#)**? Sign up **[HERE](#)**. **[Already a member](#)**? Click **[HERE](#)** to order the **[Colors of Leelanau](#)**.

We'll be taking pre-orders for the **[Colors of Leelanau](#)** for a VERY limited time--through **April 15th only**.

Orders will ship with the May 2019 packages.

(Sunset Pilings, our May 2018 feature)

Been in the club for awhile? We'd love to feature one of your projects, so more club members can see how the yarns work up. Send us an email at thebuzz@woolandhoney.com or call us at (231) 228-2800--we'd be happy to take photos for you.

Not sure what to knit with a single precious skein? Consider combining multiples and fading them--making a gradient color run--like the [So Faded Sweater](#), [What the Fade Shawl](#) or [Fluorite Socks](#) by Andrea Mowry, [Dip Dye Raglan](#) by Camilla Vad (and hold them with mohair--gasp!) or the original [Find Your Fade Shawl](#). And if those don't impress you, how about this AMAZING woven piece Marlea made?!?
