AN EXCLUSIVE FIELD BAG:
THE HONEY HANK

*Introducing the newest of the **Fringe Field Bags**....
the Honey Hank, exclusive to Wool & Honey.*

A secret we've been keeping for months is finally on our lips: a custom Fringe Supply Co. Field bag has arrived at Wool & Honey--and we've named it the 'Honey Hank'. Having an exclusive Field Bag is at the very top of every yarn shop owner's bucket list; to have one that also bears the name of printmaker **Jen Hewett**? A waking dream.

There is a very (VERY!) limited supply of **these handsome totes**, and this colorway will only ever be sold through Wool & Honey. The design itself matches the original Hank, but the ink color was selected to match the warm, honey tones of our logo. We're telling you these details now so that you have time to ponder and plan; once this initial batch sells out (and it will- it's really just a matter of *how* quickly), they won't be available again until 2019, at which point they'll be a shop mainstay. If you're not sure what to get your favorite knitter this holiday season, this is one heckuva gift, in part because we can guarantee they won't have it. We're hoping you'll love this little darling as much as we do--welcome to the Fringe fam, little Honey.

Portable, stuff-able and capable of carrying 2-3 small projects, Field Bags are the consummate project bag for traveling knitters. There are impeccably-designed interior pockets for notions, double-pointed needles, pens, a folded 8 1/2" x 11" pattern, and grommets for threading and separating yarn balls for colorwork. They can be easily tossed into a larger purse or a tote bag, and two Field Bags can be tucked neatly inside their big sister, the **Porter Bin**.

And of course we'd be remiss if we didn't mention the fact that Field Bags provide the ideal backdrop for the ubiquitous **enamel pin**. We don't mind saying that we've got a stellar collection here at the shop; whether you want to say something quirky, sweet or pledge allegiance to the humble S'more, we've got **the pin** for you.

We even have **a new pin** to coincide with the release of the Honey Hank: the **Sunset Enamel pin**. It's just the thing for Michigan lovers, near and far.
