## **SLEEPING BEAR YARN CLUB:** **CHRISTMAS COVE**

We are thrilled to announce the January selections for the **Sleeping Bear Yarn Club**. Dyed exclusively for us by Hannah of Chipknits Fiber Co. in Kansas, this beautiful speckly skein is EXACTLY like the inspirational photo--every shade of mottled gray and sun-bleached white

and smoke blue--even little bits of rust orange. And as if the colorway weren't perfect enough, the yarn itself (hello, cashmere content!) is transcendent--a match made in heaven for knitting rock hounds.

*Christmas Cove is a sweet, quiet little beach just north of the village of Northport. This picture was taken in mid August, where our family spent some time Sunday swimming and rock picking. Sasha found that perfect mini Petoskey herself!*

**\*\*\* pre-order by December 15th \*\*\***

January's delightful little package will include a skein of Chipknits Fiber Co. MCN Sock (80% superwash Merino wool, 10% cashmere, 10% nylon--460 yds, 100 g), a White African Opal stitch marker and your choice of the Broderie Baby Dress, No Pressure Shawl OR the Please and Thank You Socks, as well as the free gifts for NEW 12-month members, Thank You gifts for Year Two members and Leelanau Lifetime Members.\*
