## **THE COLORS OF LEELANAU: COLORWAYS FROM THE FIRST FOUR YEARS**

It's been almost four full years since we launched our exclusive **Sleeping Bear Yarn Club** and it has blossomed into something beyond our wildest dreams.

(And just wait until we tell you about Year Five! Sometime next month, that is.)

Because our club continues to grow every month, there are many, many customers who've only just joined us--and have missed out on some of the previous months. And almost everyone has said that they'd love to get their hands on at least **one more skein** of one colorway or another.

So. We're opening up the opportunity for everyone who has been hoping to get another go at one--or more!-- of our exclusive yarns. We reached out to the brilliant dyers who've produced colorways for our Sleeping Bear Yarn Club to produce a limited edition run for the spectacular colors from the first four years.

*Francisco Morazan--our July 2017 feature from Little Fox Yarns*

**And, as always, these yarns are available to you at 10% off retail prices.**

However. You must be **a Sleeping Bear Yarn Club member.**

We've said from Day One that these colors are exclusive to our members and we still stand by that. Before you can order any of the colorways below, you first have to join the club.

After that, you can order any of the colors between now and April 15th.

After that, they may be unavailable forever.

*Clover Patch--our April 2017 feature from Woolen Boon (and yes, it really IS that bright!)*

**Club memberships are available for 3, 6 and 12 months,**  
with the ability to pay monthly, quarterly or in full.  
A current membership of any kind will grant you access to  
the **Colors of Leelanau.**

*Empire Beach Glass--our April 2018 feature from A Hundred Ravens*

**Not a current member?**

Sign up **HERE**.

**Already a member?**

Click **HERE** to order the **Colors of Leelanau**.

We'll be taking pre-orders for the colors of Leelanau for a VERY limited time--  
through **April 15 only**.

Orders will ship with the May 2018 packages.

*You'll notice that not every month from the original lineup is included. That's because some of the dyers were unavailable to recreate their original colorway. If you have one of those original skeins, hang on to it like your life depends on it.\**

*\*Er, we mean, knit with it. Who hoards yarn anyway?*
