Happy Friday, knitters!

Welcome to our first installment of **30 Projects For \$30 (And Under!)** Over the next six weeks, we'll be bringing you ideas for small-scale projects that are affordable, easy-to-knit and that would make lovely gifts for almost anyone on your list. As the days get longer and the weather gets warmer, we tend to spend a little less time with our knitting and more time outside. The 30 Projects are perfect for spring knitting--lightweight, small and easy to knit. Even if you only have time for a few rows every night, you don't have to abandon your knitting until fall! We're certain that with 30 projects, there will be something for everyone. We're so excited to share these projects with you--enjoy!

I hope you all have a wonderful Easter weekend!

Melissa

1. Three Felted Bowls

Sure, these felted bowls are about as simple as they come, but for those of us who like to keep our clutter to a minimum (or at least store our clutter in an attractive way!), these little vessels help enormously. Knit one for the entry way table to house keys and spare change, one for your knitting needles and one for a vase of flowers! (Inside the tall white version is a pint-sized Mason jar to stabilize the bowl.) **A Wool & Honey**

exclusive pattern.

This pattern also requires US 10 double-pointed needles, which are not included in the kit. If you need needles to complete your project, please call us at (231) 228-2800 or email us at [spunhoneyfibers AT gmail DOT com](mailto:spunhoneyfibers@gmail.com)--we'll be happy to add them to your package.

Flattering and fashionable, Cassidy's Cap is a soft cabled beret with a relaxed, slouchy fit for comfort and ease of wear. Knit in the round using the popular 18/24 gauge, this hat is a quick and easy knit. Our version is

knit with Malabrigo Rios, a very hard-to-find superwash Merino wool in a beautiful range of deep, complex colors.

4. Spa Set

We love knitted washcloths. There's just something about sudsing up with a luxurious lather and a handknit cloth that seems to make the daily routine a little less humdrum. Washcloths (and soaps!) make wonderful gifts for housewarmings, baby showers and really, for any occasion under the sun. This set includes one of our signature bee soaps and enough yarn to knit three washcloths--one in blue, one in stone gray and enough leftover to make a third blue-and-gray striped cloth. **A Wool & Honey exclusive pattern.**

5. Super Cupcake Cowl

Okay, so the long winter is finally behind us. (*Finally!*) But, there's something wonderful about knitting with buttery soft wool yarn--year-round. Don't cut yourself off cold turkey--maybe instead of knitting a heavy sweater this spring, you get your wool fix from smaller projects like hats, socks and cowls. Get started

on next winter's wooly garb--or your Christmas list!

This pattern also requires US 8 16" circular needles, which are not included in the kit. If you need needles to complete your project, please call us at (231) 228-2800 or email us at [spunhoneyfibers AT gmail DOT com](mailto:spunhoneyfibers@gmail.com)--we'll be happy to add them to your package.
