Hiya, knitters!

Thank you so much for your participation in the 30/30 series so far. The projects have been a huge hit and we've shipped out several packages (and emailed patterns) every day this week. I'm looking forward to seeing what you think about Week Number Two's projects--I happen to think this week is even better!

**If you're just tuning in for the first time (or you've accidentally deleted your first copy), you can catch up on our previous newsletters [here](#).**

Here's a bit more information for those of you who are new to our **30 Projects for \$30 (And Under!)**:

Over the next six weeks, we'll be bringing you ideas for small-scale projects that are affordable, easy-to-knit and that would make lovely gifts for almost anyone on your list. As the days get longer and the weather gets warmer, we tend to spend a little less time with our knitting and more time outside. The 30 Projects are perfect for spring knitting--lightweight, small and easy to knit. Even if you only have time for a few rows every night, you don't have to abandon your knitting until fall! We're certain that with 30 projects, there will be something for everyone. We're so excited to share these projects with you!

**Please note:** *I will be away from my computer until tomorrow evening (Sunday, May 1st)--kits will be available for Pick-Up beginning on Monday morning and all patterns will be mailed out then, as well. The shop will be open for business as usual all day today (Saturday, April 30th).*

Here's to a fabulous Spring weekend--hoping you have the chance to enjoy the sun!

## 6. Here Comes The Sun

Inspired by both the upcoming spring and a friend's J. Crew infinity wrap, the idea for this simple scarf was born. It's knit with a paper-thin laceweight Merino wool and if you didn't know it, you'd swear it was cashmere! This version has fewer bells and whistles than the J. Crew version (no bobbles on this baby!), but it's just the fusion of bright color and modern style I was searching for. Shown with one long twist around the neck and one short, this scarf can be wrapped once more around the neck to create a layered cowl. **A Wool & Honey exclusive pattern.**

Yellow not your thing? (This sample is shown in Frank Ochre.) Choose from the colors below in your Paypal "Notes to Seller" upon checkout, or if you'd rather, we'll choose one for you!

**L to R:** Applewood, Shocking Pink, Fuchsia, Sealing Wax, Glazed Carrot, Frank Ochre, Apple Green.

**L to R:** Lettuce, Verde Adriana, Water Green, Bobby Blue, Jewel Blue, Buscando Azul, Violetas.

*This pattern also requires US 6 24" circular needles, which are not included in the kit. If you need needles to complete your project, please call us at (231) 228-2800 or email us at spunhoneyfibers AT gmail DOT com--we'll be happy to add them to your package.*

## 7. Purple Muscari\* (Fingerless Mitts)

We've said it before and we'll say it again--fingerless mitts are one of our favorite accessories. Quick to knit and popular among all age groups, these mitts are lightweight enough for areas still experiencing a chill in the air. (Ahem, Northern Michigan!)

We've created shop patterns for mini mitts in the past--we've updated this version by knitting the "body" of the hand entirely in stockinette (which of course speeds things up a little!) They're knit with Malabrigo Sock, a soft superwash Merino wool in a beautiful range of deep, complex colors. **A Wool & Honey exclusive pattern.**

*\*Purple muscari are those miniature harbingers of spring also known as grape hyacinth--one of my very favorite spring flowers!*

*This pattern also requires US 1 double-pointed needles, which are not included in the kit. If you need needles to complete your project, please call us at (231) 228-2800 or email us at spunhoneyfibers AT gmail DOT com--we'll be happy to add them to your package.*

## 8. Sweetie Pie Hat

It never hurts to have one more baby hat on hand for the next wee one on its way--this one might be the cutest I've seen in awhile!

It's knit with another yarn that's brand new to Wool & Honey--the self-stripping Be Sweet Bambino Taffy. A blend of buttery soft bamboo and cotton, this yarn was designed to be a kit--the pattern's right on the label! For those of you just cutting your teeth on knitting, this would be an opportunity to try out a few new techniques--a picot edge, a lace section, bobbles and the I-cord ties. This hat fits sizes 6-18 months and the yarn is machine washable--a wonderful thing for busy new moms. **Sorry, this pattern is only available with the purchase of the yarn.**

Not in love with the color palette above? (This sample's shown in Licorice.) Choose from the colors below in your Paypal "Notes to Seller" upon checkout. Or, if you'd rather, we'll choose one for you!

**(L to R):** Peppermint Stick, Sweet & Sour, Spearmint Gum, Salt Water Taffy, Licorice.

*This pattern also requires US 6 16" circular and double-pointed needles, which are not included in the kit. If you need needles to complete your project, please call us at (231) 228-2800 or email us at spunhoneyfibers AT gmail DOT com--we'll be happy to add them to your package.*

## 9. Mini Mitten Keychain

Wear your love of knitting on your sleeve--or rather, on your keychain! Just plain fun, this kit includes a miniature wooden mitten keychain to hang from your set of keys. This is a very popular gift among knitting

circles--I've seen customers buy one for each of their friends in the group. Some knit the little mittens and some give the kit to the recipients to knit for themselves! **Sorry, the pattern is only available with the purchase of the kit.**

**Please note:** the printed pattern suggests using US 0 needles, but we knit the first sample and it was much too small--the sample shown was knit with a set of US 1 (2.25 mm) double-pointed needles.
