The Land of Wool & Honey

Happy weekend, knitters!

As embarrassing as it is to admit, just like during the real holiday season, sometimes we knitters fall behind on our projects. Life and work sometimes get in the way of our knitting. (The nerve!) A pattern has mistakes, we run out of yarn and suddenly, our grandiose plan to knit everyone in the office a pair of socks is sidelined. It happens.

The kit I had planned to showcase today? I fell behind. (Hangs head sheepishly.)

Consider this email as an apology--and an IOU for a great project to come. It's just going to be a *little* late.
