Classes: Mid-March 2011

Learn to Knit: Session One

Saturday, March 12th
1-3 p.m.

Have you always wanted to learn how to knit for yourself or your friends? Take the opportunity to learn how satisfying this portable art form can be. No previous knowledge is required-just pull up a chair and we'll get you started.

One 2-hour session, \$30.00.
*Materials included.**

Learn to Knit: Session Two

Saturday, March 19th
1-3 p.m.

Okay, so you can cast on, knit, purl and bind off. What's next? This session will be devoted to increasing, decreasing and learning to knit in the round. After this session, knitting a hat or a pair of mittens would be the natural next step.

One 2-hour session, \$30.00.
*Materials included.**

Thrummed Mittens

Tuesdays, March 15th, 22nd & April 5th
12- 2 p.m.
(skips a week)

Thrummed mittens are the perfect project for the fiber enthusiast--you get to incorporate both yarn and fiber into the same project! Not unlike "plain" mittens, these hand warmers are made by tucking little tufts of spinning fiber into your knitting so that when you stick your hand inside, it's like a warm, puffy cloud!

Three 2-hour sessions, \$45.00.
*Materials not included.**

Socks!

Wednesdays, March 16th, 23rd & April 6th
4-6 p.m.
(skips a week)

Ever wonder why it is this project is so popular with knitters these days? They're fun, they're portable, they're relatively inexpensive....in our minds, they're the perfect knitting project. Once you've braved socks, there's nothing you can't knit!

Three 2-hour sessions, \$45.00.
*Materials not included.**

Baby Booties

Thursdays, March 17th & 24th
10 a.m.-12 p.m.

Be the hit of every baby shower with these precious hand-knit classics--with a twist. Choose from a wide selection of sock yarns-variegated, self-striping or solid colors-whatever your choice, you'll be sure to impress the new mom. **A Wool & Honey original pattern.**

*Two 2-hour sessions, \$30.00.
Materials not included.**

'Gretel' Cabled Hat by Ysolda Teague

Fridays, March 18th & 25th
12-2 p.m.

The Gretel hat is a beret featuring a lattice cable pattern worked in a worsted-weight yarn. The pattern is given for three different styles to create a traditional fitted beret shape, a slouchy snood-like shape and a style somewhere in-between the other two (pictured). Put your knitting skills to the test--you'll learn a tubular cast-on, how to read charts and to cable without a cable needle!

Two 2-hour sessions, \$30.00.

*Materials not included.**
