Our 19 Year Anniversary

Thank you, dear friends. Each and every one of you. You've all played a role in making Wool & Honey what it is today--a little shop in the middle of a tiny Northern Michigan town--with wool-loving friends all over the world. We are honored to be a part of your lives.

A small gift to say thank you for being a part of our hive: each customer who places an online order now through Monday evening at 11:59 p.m. EST will receive [one packet of bee-loving wildflower seeds](#) and **one set of semi-precious stone stitch markers** handmade by our favorite neighbor, jeweler Liz Saile.

PLUS

We're giving away one 12-month subscription to the [Sleeping Bear Yarn Club](#), a value of \$525. For every \$10 you spend now through Monday, you'll receive a ticket to win; which means, of course, the more you spend, the better your chances.

'Bronze', our exclusive anniversary colorway by our dear friend Brittney of [BrittyRaeKnits](#) in nearby Petoskey. *Each handpainted, DK-weight skein* comes with a tarnished brass bee stitch marker, also made by Liz Saile. And yes, there is cashmere in there.

See what's new...
