Hey there, hi there, ho there, knitters!

Thank you so much for all the birthday wishes last week-- I am so grateful for all my knitting friends, far and wide! Knitting Night Meets Trivia Night was so, so fun.....trust me, we'll do it again soon.

Okay, so I've been hinting for quite some time about a bunch of surprises here in the shop, right? I'm still not ready to tell you about it *today*, but let's just say that the wheels are definitely in motion. All the behind-the-scenes kind of stuff that small businesses do to create change? Well, that stuff is happening right now.

I will give you a little hint, though: a big part of the excitement has to do with new yarn. Lots of new yarn. And if you were to look around the shop right now, you'd see we already have a lot of yarn. Enough that an influx of new yarn might seriously get in the way of the traffic flow! So....how about a **SALE?!?**

Every week between now and Memorial Day weekend (the launch date of the BIG surprise), we'll be having a featured **Sale of the Week**. These sales will be on yarns, patterns and other merchandise we'll be saying good-bye to here at the shop. They've all been lovely additions to our inventory over the years, but we've got to make space. During the next five weeks, we encourage you to take advantage of these **beautiful yarns at deeply discounted prices**--we know there's something here for everyone!

So you don't live in Northern Michigan....no problem! Call me at **(231) 228-2800 to place an order**--I ship worldwide every day.

Stay tuned for more hints and updates about big changes here in Cedar!

Melissa
