### Hi friends!

So....snow?!? Really?!? There I was, thinking the white stuff was behind us! On the bright side, at least we've got one last weekend to pull on those wooly accessories! This week, my peonies started poking up through the ground, Norconk's asparagus has made its yearly appearance in Leelanau County, and today was the first day of the Sara Hardy Farmer's Market in downtown TC. Spring is here, regardless of the sleet and snow!

\*\*\*\*\*

**We will be closed tomorrow, Sunday May 9th** for Mother's Day, but don't forget--we're back to our Summer Hours, so **the shop is now open on Sundays from 1-4 p.m.**

\*\*\*\*\*

Every week between now and Memorial Day weekend (the launch date of the BIG surprise), we'll be having a featured **Sale of the Week**. These sales will be on yarns, patterns and other merchandise we'll be saying good-bye to here at the shop. They've all been lovely additions to our inventory over the years, but we've got to make space. During the next four weeks, we encourage you to take advantage of these **beautiful yarns at deeply discounted prices**--we know there's something here for everyone!

So you don't live in Northern Michigan....no problem! Call me at **(231) 228-2800 to place an order**--I ship worldwide every day.

\*\*\*\*\*

Keep your eyes peeled for the next tidbit of news toward the end of next week....it's getting *exciting* around here!

(And NO, we're not closing OR moving into  
Traverse City!)

Best,

**Melissa**
