

## *...from Wool & Honey!*

**Hello, friends of wool!**

How are you this week? It's really starting to feel like production time around here. I can't stop knitting! It's all I want to do--all day, every day. I've finished three shop samples this week alone, not including Week Seven's project. Are *you* feeling the knitting love?!?

For the most part, many of us stick to knitting for women. We knit for our sisters, our friends, *ourselves*. Once in awhile, however, we need a manly gift--for our nephews, our dads, our husbands. This week's project is a very simple, very quick-to-knit project that will please any man on your list. (And hey, if you get after it this weekend, you could send him out to deer camp on Monday with a little extra warmth!)

If you're a first time reader, welcome. We're glad you're here. If you've been with us since the beginning, thanks again for your continued support--we wouldn't be here without you! **At Wool & Honey, we believe that the best way to celebrate the holidays is with a handcrafted gift.** Something special--a little slip of a silk scarf, a pair of fuzzy, wooly mitts, a handknit ornament--that with a little time, a little money and a little foresight could become the most treasured gift you give all year.

*For those of you who've been asking, we can't re-send individual emails, but don't fret--you can catch up on our previous newsletters by clicking on our archives [here](#).*

Every Friday, you'll receive an email revealing a special pattern we've written exclusively for the shop--one that we've deemed "do-able" within the course of a week. These patterns are super simple, and there's a reason (Well, several.) You've got kids. Fall sports. Dogs. You're working 40-plus hours a week. We want you to feel like you can actually get something *done* during these crazy weeks leading up to the holidays. With 12 full weeks ahead of us, if you pace yourself and try your best to keep up, you'll have a nice collection of gifts come

December 25th.

This year, there are several ways to knit for everyone on your list. The 12 Knits are being sold as kits--kits complete with yarn, needles, pattern and a Wool & Honey project bag. You can purchase one for delivery right to your doorstep or you can reserve one for pick-up at the shop.
