On Saturday, May 28th from 5-9 p.m. *(that's tomorrow!)*, we'll be hosting our annual Memorial Day weekend party.

This year is especially sweet for me--it marks my **five-year anniversary** at the shop! So to make things extra-special, we're bringing in an extra-special treat: a trunk-show from the **internationally-acclaimed** Michigan dyer, Sarah Dimond--more affectionately known as **The Plucky Knitter!**

Sarah's beautiful yarns are subtle and tonal, perfect for showing off cables and lace, or even acres of stockinette. The yarn bases are comprised of both sturdy workhorse yarns and exquisite blends, typically including **merino, silk, cashmere, seacell**--her following is so widespread that a typical update will wipe out an entire Etsy shop within *minutes*! A trunk show is the only place to see and fondle Plucky yarns all together in one place--**this is a truly one-of-a-kind event that you'll can't afford to miss.**
