

wool & honey
yarn, fiber and other sweet delights

9031 S. Kasson St. Cedar, Michigan 49621 (231) 228-2800

Hello, friends!

Last weekend, we made it through the worst snowstorm Northern Michigan has had in *years*. After heavy, wet snowfall (up to 30" in some places!), strong winds and drifting, some of our friends and neighbors were without power for almost 100 hours. We're ready to celebrate the return of light and power. . . .with a **SALE** this weekend!

One day only:

Saturday, March 10th
15% OFF storewide
(our bricks-and-mortar location only)

* * * * *

We'll be back next week with a new spring class schedule,

ideas for lightweight projects and of course, some new kits--
including something very sweet for Easter!

Hope you're well and enjoying this last little bit of winter--
spring will be here soon!

Melissa
