

Greetings!

I am so excited about tomorrow night's Yarn Tasting--with wine, chocolate *and* yarn, how could you go wrong?!? **There are still a few spots open, but in order to accommodate last minute reservations, I'll need to know if you'd like a spot by 10:00 a.m. tomorrow morning (Friday).**

For those of you planning on attending, please bring size 6 and 7 needles for swatching--straight, circular or dpn all work just fine.

And just to be sure I've crossed all my t's and dotted all the i's, please check to see if your name is on the list at the bottom of this email. If you don't see it, please call me ASAP--my original Master List went missing in the Great Office Cleanup of '09.

Hope your week is filled with all the lovelies of spring--daffodils, gusty, warm winds and my favorite, the ever-elusive more!

Best,

Melissa
